FROM CHAIRMAN'S DESK

Mr. Jothiram Krishnamoorthy

Dear Students, Staff & Parents,

It is indeed very great that the college has been continuously marching towards academic excellence and, in fact, we have achieved excellence in teaching-learning process. The university results of the students over the years vouch this. The rich academic contributions by the teaching fraternity of our college alone are totally responsible for these accolades and feats. Hats off to them. Experiencing academic design over the years, we have planned an innovative academic strategy in the coming years, which for sure, fulfill the academic aspiration of the present and future students in our college. This innovative strategy includes a series of guest lectures, seminars, workshops, industrial visits, etc, which will make our students academically satisfied and remuneratively employed. We have been striving hard every minute to ensure that every student of ours receives due academic support from us and hence, reach the pinnacle in her professional and personal career. Our single focused agenda is to make our college a great place to learn, live and excel for the students.

Wishing you all a very best in all endevours…..

With Regards
Jothiram Krishnamoorthy
